Games are won,
Victories are many
And the excitement is encompassed
In the hearts of many;
Taking part in activities
A "Hippie Day" or a "Wing-Ding"
Maybe it's just the satisfaction
Of being part of something.
A clamour of voices,
Many faces were seen
At the arousing Bonfire
And the Serpentine.
The dance was fun,
The music was great,
And everyone enjoyed
Being with their date.

Queen Grete I, Washougal foreign exchange student, is crowned queen of the Homecoming festivities by Dick Anderson and DeLayne Brink.

"San Franciscan Nights" headlined this year's theme for the Homecoming Dance. The effects of chalk drawings and black lights highlighted the evening.

Football captains, DeLayne Brink and Dick Anderson, found much pride and pleasure in crowning Miss Grete Lilledalen as Queen of the 1968 Homecoming Dance.

Queen Grete's royalty was revealed to the student body by the Drill team, who formed the initial "G" at the Homecoming game.

Court members include Mary Burchett, Vicki McDowell, Charlene Broersma, Judy Walton, and Janet Dilley.

Seven new classrooms and a student center were added to Washougal High this year. Although November 8 was the day set for the opening, students were not able to use the facilities until November 27 because of construction problems.

Four of the rooms are used as specialty classrooms for art, architectural and mechanical drawing, foreign languages, and biology. The art room contains a firing kiln, individual drawing tables, lockers, and a paint booth. The language lab contains the latest electronical console equipment that broadcasts to thirty stations. Biology students use seven units with each unit containing fireproof table tops, sinks and gas outlets. The mechanical drawing room contains specially designed drawing tables for each of the students.

Many Lil' Abners and Daisy Mae's were seen at the annual Sadie Hawkins dance, sponsored by the Journalism classes. Impressive decorations which depicted the theme, "Run Abner, Run," were constructed by the art classes and other committees. Washougal's own group, "The Wild Side," provided music for the evening.

Each year, a boy and girl are selected that best meet the description of Lil' Abner and Daisy Mae, and are presented with some sort of a prize. This year, Betty Lou Locke, as Daisy Mae, and Marvin Thrall, as Lil' Abner, were chosen for their original costumes.

Mock Marriage ceremonies were performed by the Preacher, Mike Crowe. The girls dragged their guys to the altar, and as the marriage ceremony was read, rings were exchanged, and the couple signed a fake marriage certificate.

Heaven was brought down to earth as the class of 1969 created the Junior-Senior Prom. With the theme, "A Little Bit of Heaven," an atmosphere of an angelic realm was constructed. Stars, floating clouds, fountains, and a golden city all contributed to making the evening full of realism and a night to always remember. Students danced to the beat of The Secrets.

The crowning ceremony was the highlight of the night. Queen Peggy I, who was chosen by the Juniors and Seniors, was crowned Queen of the 1968 Prom. Serving as her court were Peggy Locke, Senior princess, and Marsha Leifson, Junior princess.

The Juniors created "A Little Bit of Heaven" in one day, in which they worked hard with all their planning, to make the Prom a genuine success.

in Defending Title

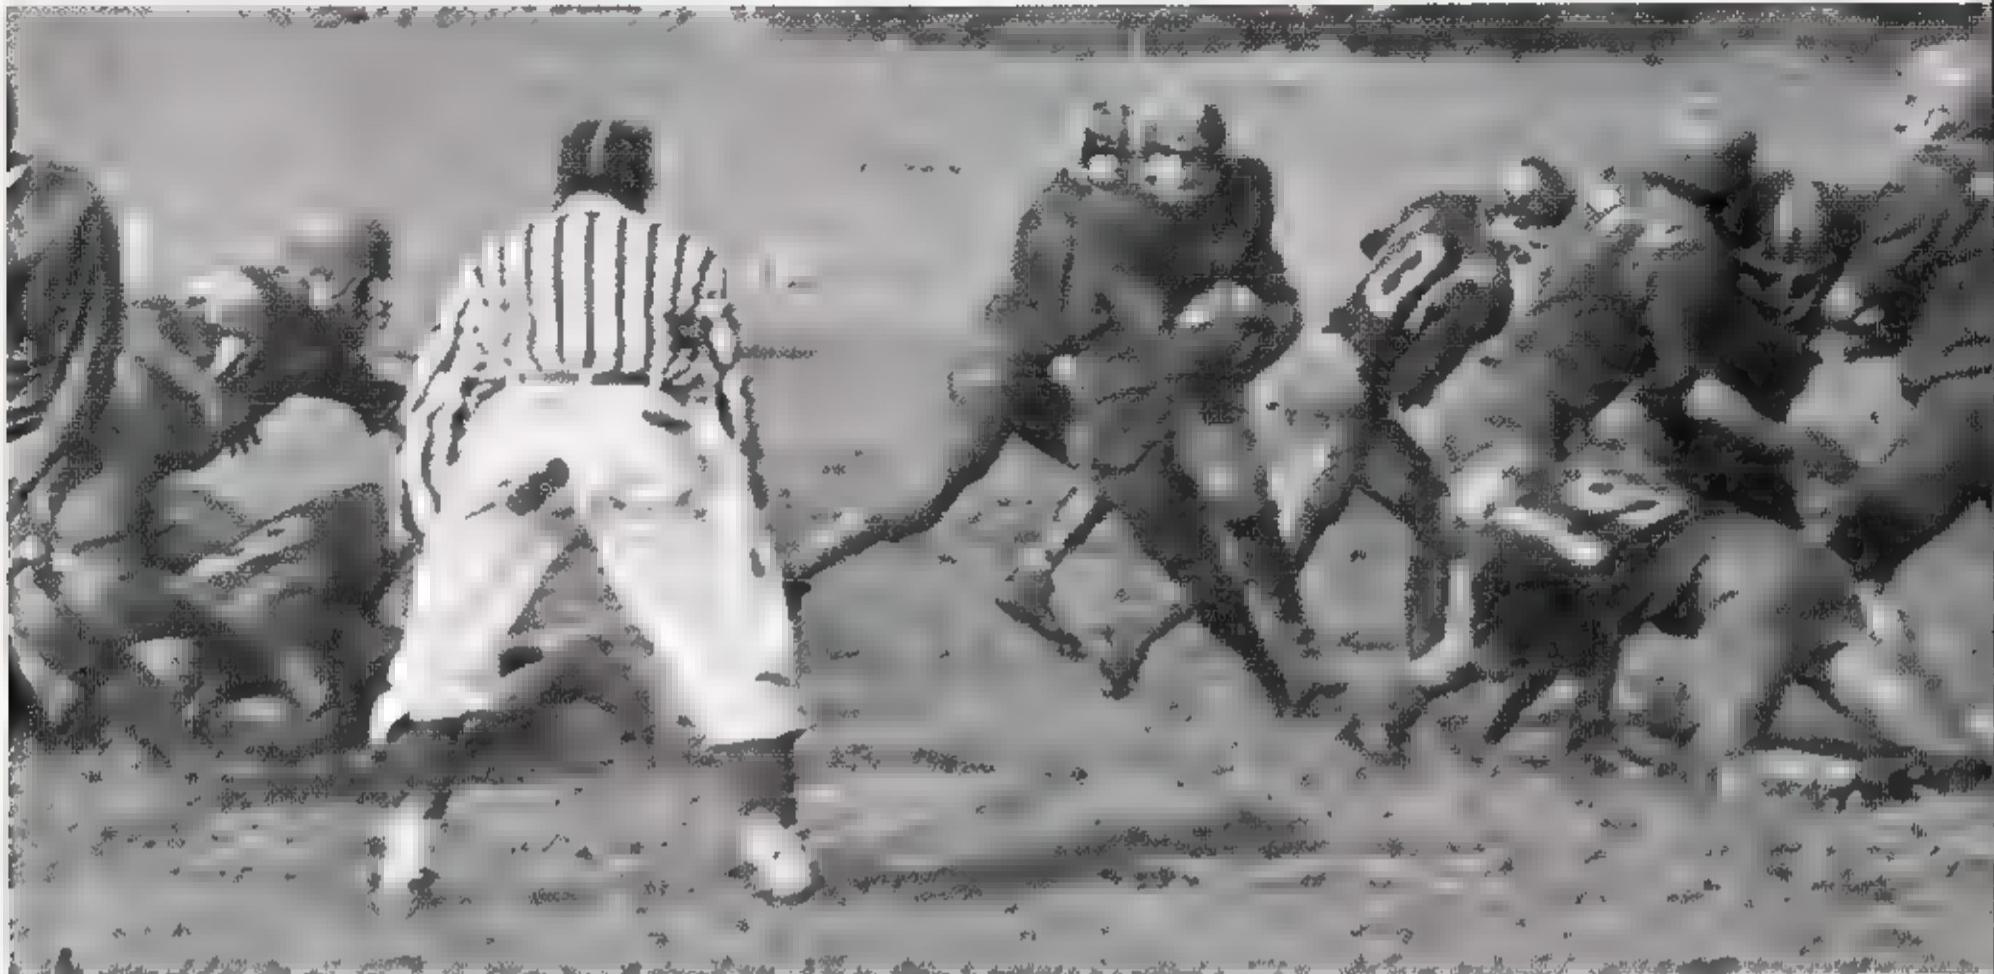

The Panthers won their second consecutive Trico League Championship with a four and one record. Their only league loss came at the hands of the Woodland Beavers early in the season and knocked the Panthers out of the top ten ratings in the state and

dimmed their title hopes. The Panthers came back to win five straight and clinch the title.

In non-league action, Washougal compiled three victories before running into the Evergreen Plainsmen who handed them their only non-league defeat.

Washougal 31—Stevenson 6

The Panthers opened the 1967 season with an explosive scoring attack and tough defense against the Stevenson Bulldogs.

DeLayne Brink led the scoring with two touchdowns. Bill Seekins, Gary Anderson, and Mike Jendro each contributed one touchdown.

The Panther line composed of Tim Woodman, Rick Peake, Jim Martell, Chuck Heller, Dick Anderson, Mark Dunlap, and Dave Pettyjohn did an outstanding job in blocking.

Washougal 14—White Salmon 6

After a scoreless first period, quarterback DeLayne Brink and Gary Steinmeyer teamed up for a 41-yard touchdown pass play. Steinmeyer scored his second touchdown when Chuck Heller and Rick Peake forced a fumble in the end zone. Don Piontek kicked both extra points.

Washougal 12—Woodland 21

The Woodland Beavers handed the Panthers their only loss in league action.

The Panthers grabbed an early first period lead with a one-yard quarterback sneak. The Beavers came back in the second quarter to capture a 14-6 halftime lead.

Gary Anderson took a 7-yard pass to score late in the game and give Washougal its second touchdown.

Washougal 35—Ridgefield 0

After downing two non-league foes, the Panthers returned to league play with a 35-0 rout of the Spudders.

Led by tackle Chuck Heller, the Washougal defense played outstanding ball by not allowing the Spudders to score.

Juniors Mike Jendro and Gary Anderson scored in the second period to build a 14-0 halftime lead.

Sam Autry scores on route to All-Trico honors.

Washougal 21—Castle Rock 13

The Panthers traveled to Castle Rock for their last league battle. The Panthers' 21-14 win was their first at Castle Rock in 13 years.

The Panthers came back after being down 7-0 to lead at the half 14-7 with a 16-yard run by Sam Autry and Bill Seekins' 60-yard punt return.

The Panthers could only score one touchdown in the second half on Autry's 5-yard run. A determined defense led by Dick Anderson and Gary Steinmeyer allowed the Rockets only 6 points in the second half.

Don Piontek kicked all three extra points.

Under the direction of their new coach, Joe Brown, the Panthers earned third place in the Trico League with an 8-win and 4-loss record. The Panthers' only league defeats were to Woodland and Castle Rock. In the first round of league play Castle Rock had to come from behind in the final period to defeat the Panthers and Woodland had to fight off the Panthers to maintain their small lead to win by five.

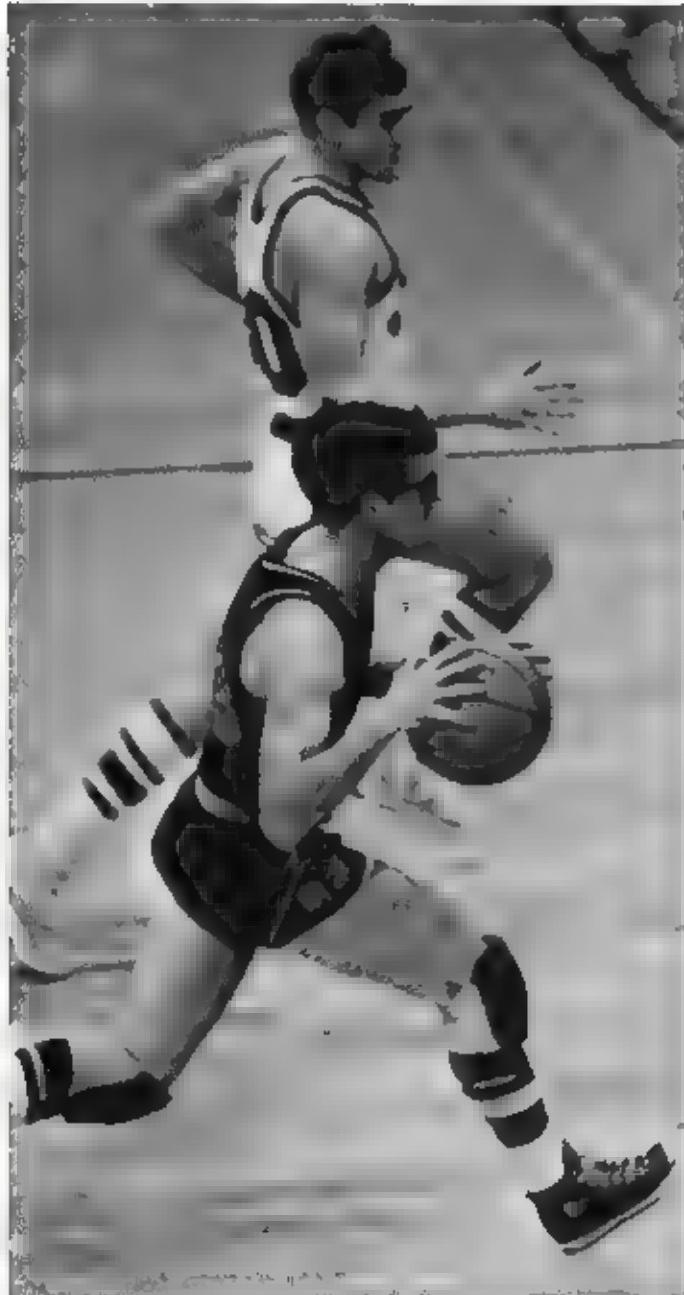

In non-league action Washougal met three AA teams with little success. After losing to Camas and Evergreen, Washougal scored its only non-league victory with a 77-67 win over Battleground. The Raymond Gulls shattered the Panthers hopes of seeing action in the state tournament with a hard fought 52-62 win, in which the Gulls did not take command until the final minutes.

Gary Steinmeyer, first team All-Trico, and DeLayne Brink, second team All-Trico, shared the honors of being named inspirational player and honorary captain. Dan Amundson was named most improved player, Bill Seekins was given the hustle award and Gary Anderson received the free-throw award.

The Panthers wrestling program became of age this year as Washougal earned a tie for the Trico League Championship with Castle Rock, who had an identical 7-1 league record. This was the most successful year for the Panthers since head coach Larry Rodriguez organized the program four years ago.

The Panthers won their first seven matches including two wins over AA schools, before losing to Castle Rock. The Panthers came back after

their only loss to defeat Ridgefield and Stevenson and post a 9-1 season record.

Senior Roger Daniels and junior Mark Dunlap boasted the best individual records of 13-2 and were given the honors of most improved wrestler and most valuable wrestler respectively. Pat MacDonald, the first Washougal wrestler to go to State, was named most inspirational wrestler and shared the honor with Chuck Barber as being chosen honorary Captains.

Panthers Win First Trico Title Since 1949

This year the Panthers won their first Trico Championship in baseball in 19 years. This was the first time since 1950 they made the league playoffs.

In nonleague action, the Panthers split 2 and 2 with AA schools. After dropping their opener to Battleground by one point, the Panthers came back to defeat Camas and Columbia River. Later in the season, Columbia River handed Washougal its second nonleague defeat.

In Trico play Washougal won their first seven games to clinch a spot in the Trico Championship Game. White Salmon swept a double header to end the regular season and give Washougal a 7 win and 2 loss Trico record.

Washougal faced the Ridgefield Spudders in the Trico Championship Game. The Spudders showed that they had come to play as they scored five runs and disposed of two of the Panthers best pitchers in the first two innings. Then Mike Jendro took the mound for Washougal and held the Spudders scoreless while the Panthers rallied to come from behind in the last inning and win 6 to 5.

Junior, Mike Jendro led the Panthers with an average of .414, including two homeruns and three doubles. Junior Steve Green's five win and one loss

pitching record topped all other Washougal pitchers. DeLayne Brink was elected captain and Chuck Barber was voted most inspirational baseball player. Danny Amundson and Chuck Barber were given special recognition as they represented Washougal on the Trico All-Star team.

Washougal Places Second In State

The 1968 track season is a season that will be remembered as one of the finest ever at Washougal High School. The Panthers won 11 meets without a loss and then produced 40 points at the Washington State A Track Meet only to be bettered by Fife's 43 points.

In Trico League the Panthers won all four meets by large margins. The Trico Relays were captured by the Panthers for the 4th straight year. Washougal also won the Sub-Trico and Trico meets to successfully defend their Trico title.

After their triumphs in Trico contests, the Panthers went on to score impressive victories in Sub-District and District meets. Seven Washougal trackmen qualified to represent Washougal at the State meet.

Junior Tim Edgely was the only state champion from Washougal. He won the 220 with a time of

22.8, placed third in the 100 and anchored the 880 relay team which placed third. Leland Bedell, another junior member of the 880 relay team, placed third in the 880 yard run. Sam Autry and Merle Berry, the only seniors from Washougal to place, rounded out the 880 relay team. Sam also ran the 440 yard run and placed fourth. Bill Connelly's performance in the two mile run earned him a second.

In route to their great season, Washougal broke five Sub-District and District records. Tim Edgely set a new District record in the 100 of 10 seconds, tied the District record 220 record of 22.7 seconds and teamed with Merle Berry, Sam Autry, and Leland Bedell to set a new 880 relay record of 132.1 at District. Leland Bedell broke the old District record by over two seconds with his 1:57.5 in the half mile. Bill Connelly ran two miles in 10:00.5 to better the old Sub-District record.

Drill Team Changes to Marching

Hours of practice result in good performances

Routines

Practice makes perfect is attributed to the 1967-68 Drill Team. All the members of the Drill Team worked hard together to convince the public that this was the best Drill Team ever.

Captains Maureen Hatten and Toni Helm taught many pointers and gave many good ideas to help the girls. The members assisted the Captains in making up snappy eye-catching routines.

The Drill Team had many money making projects that helped finance their emblems for the uniforms and the Drill Team picnic. Money-making projects included a pickle sale, bottle drive, and bake sale.

Scottish outfits of orange and black kilts, sashes, and tamoshanters, with black sweaters, knee socks, gloves, and shoes, complimented the girls on the football field. During the Basketball Season, the girls switched their black sweaters to black wool short-sleeved tops with plaid trimming around the bottom of the sleeves.

Members of the 1968 Spanish Club

With the help of their advisor, Mr. Rodriguez, Spanish Club prepared an initiation for the new members. The new members were initiated by a process of leading them through the darkened gymnasium, which was filled with many weird and unknown objects. Following the initiation was a banquet, where the new members got acquainted with the other members and learned more about the club. The traditional ritual performed at the banquet was the breaking of the Pinata. Each blind-folded student took a chance at trying to break an opening in it. Upon breaking it open, candy poured out into the hands of the eager participants, who generously helped themselves.

At the Christmas season, Spanish Club heralded the school with Christmas Carols, sung in Spanish. They sang as they went down the hall from room to room. Everyone enjoyed the singing because it helped put them into the holiday mood.

German Club Visits Rheinlander

Under the direction of their new teacher and advisor, Mr. Ruehlman, German Club started off with a bang by sponsoring a dance to raise money for their organization. They worked hard to earn money so it would be possible to have a banquet for all the students in the club. This was shared as a get-together, where everyone got to know each other better.

One highlight of the year was when the members traveled to the Rheinlander restaurant for a delicious German meal. There, they sampled various German dishes that were new, and enjoyable. The atmosphere of the restaurant was decorated in German tradition and they were served by waitresses, wearing German costumes.

Annual Slave Sale Headlines Latin Club Year

The members of Latin Club relax on the lawn after a strenuous slave week

Latin Club immediately started planning for their annual slave sale and banquet with the help of their advisor, Mrs. Lola Phipps after school began.

An auction was held where the auctioneer, Joe Ogle, sold the first year Latin students to their new masters, those who had completed their first year of the Latin language. The slaves were forced to do certain things to prove their qualifications. After the sale, the masters lost no time in getting their new slaves adjusted to the new way of life. They waited with collars to chain to the necks of their slaves in order to prove ownership. The slaves were under the command of their masters for one week prior to the banquet.

At the Latin banquet everyone wore Roman dress and ate the same types of foods that were served to the Romans. The slaves sat and ate on the floor after serving their masters at the tables.

After the slaves finished cleaning up the mess from the banquet, the masters issued their slaves the manumission papers telling them that they were free and now a part of Latin Club.

Under the advisory of Mr. Ruehlman, IRC Club began planning for SWIRL. They elected Ambassadors to countries, which were Sharee Fox, Laurie Dayton, Lynda Smith, and Suzi Lindgren. SWIRL was held at Clark College for two days. At this time the members of IRC learned more about the policies of the United Nations.

IRC sponsored a Foreign Exchange Student day, where foreign exchange students from various cities came to Washougal and stayed for two days. They got acquainted with the students and gave interesting talks about their country and their customs. An evening was enjoyed by both foreign exchange students and members at a dance, provided with live music.

G. A. A. Sponsors Annual

Officers: Evelyn Crispieen, Treasurer; Becky Luoma, Secretary; Lois Cotton, Vice President; and Sharyl Alder, President

Volleyball, basketball, and baseball tournaments, sparked energy into the members of the Girl's Athletic Association. The members displayed their pep at meetings, where they showed strength and agility with their skill produced from extensive practice.

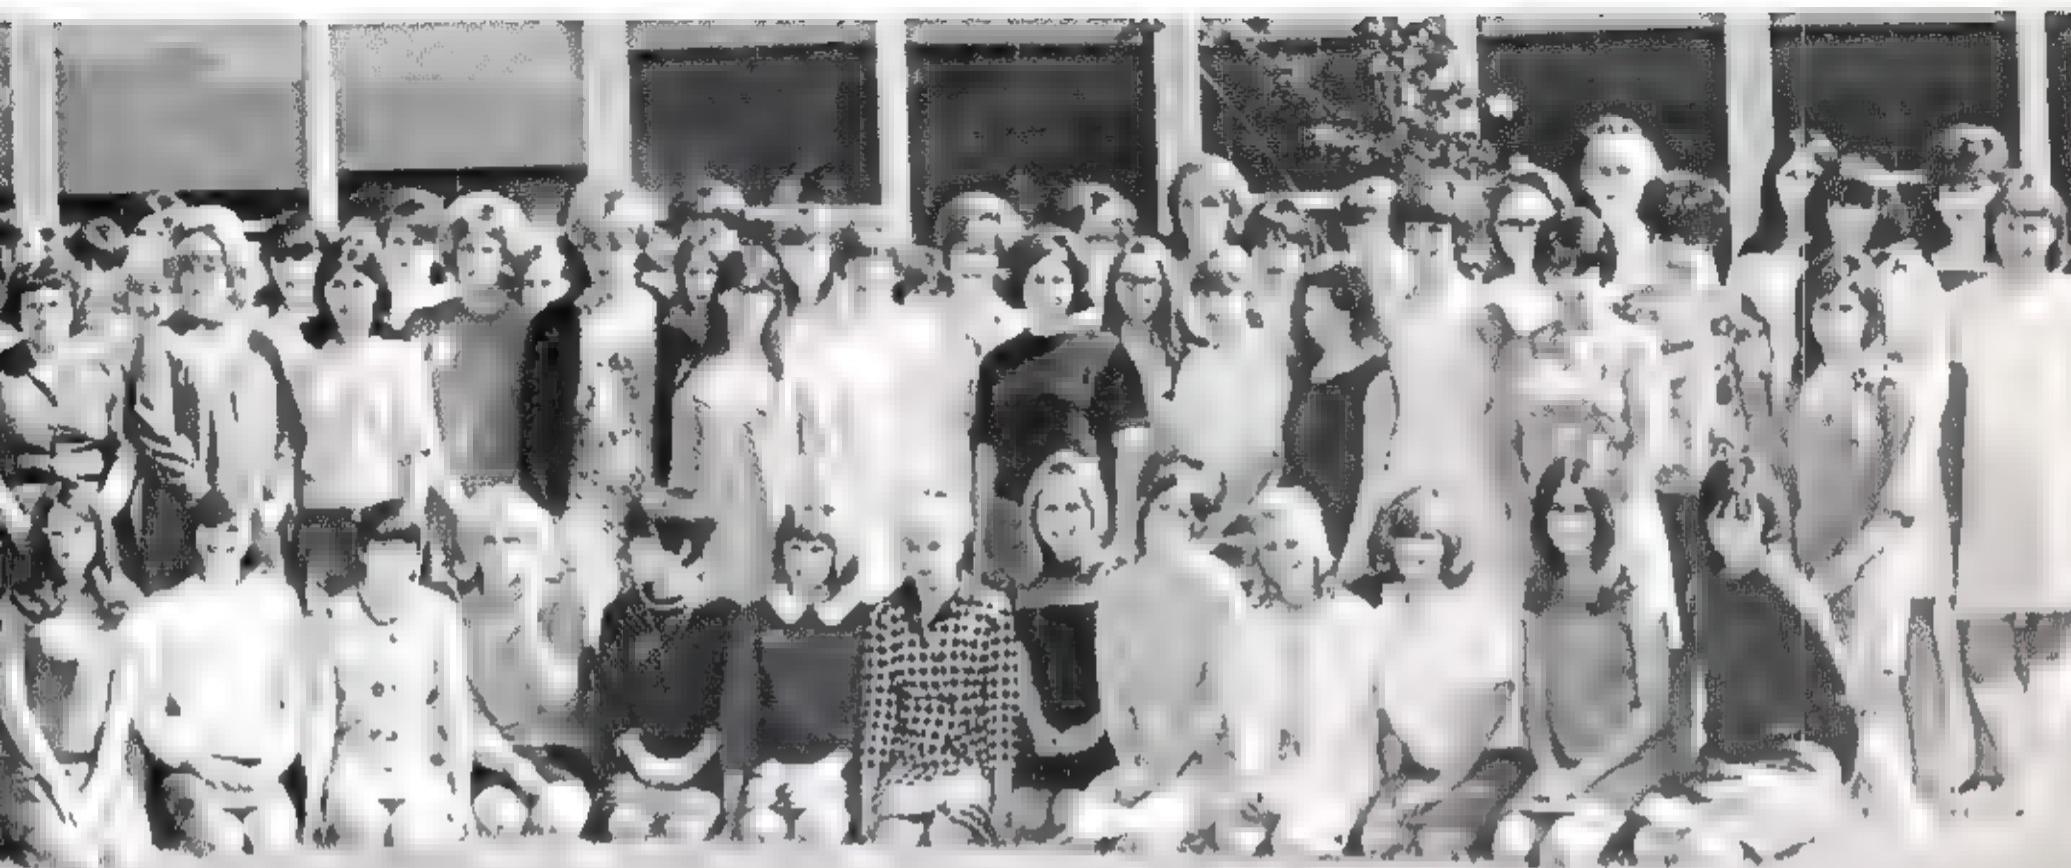

Two Mother-Daughter nights were held to arouse Mother's interests in the organization, and to give the mothers a chance to participate in activities. A bike hike was held, where the members enjoyed an afternoon of bicycling to LaCamas Lake. A playday was held in Chehalis and Olympia, where girls attended to learn new ideas to present to the other members.

At the end of the year, Sharyl Alder was chosen as most inspirational member, and also had the honor of being most outstanding player. Officers of GAA were: Sharyl Alder, President; Lois Cotton, Vice President; Becky Luoma, Secretary; and Evelyn Crispieen, Treasurer.

Cathy reads agenda for hospital work

F.N.A. began working this year at the Veteran's Hospital in Vancouver on the first and third Saturday of each month.

During the Christmas season the girls made favors for the Nursing Home in Camas.

For money making projects F.N.A. set up bake sales at lunch time. The money they made was used to buy a tape recorder for Milt Kreighbaum who was confined in the hospital.

This year's officers were Cathy Rader, President, Rhonda Backhuus, Vice President, Cheryl McCamish, Secretary and Becky Luoma Treasurer.

J. E. T. S. Decorate Christmas Tree

One of the projects that was accomplished by the Junior Engineering and Technological Society, was the decorating of a Christmas tree at the Yuletide season to arouse the holiday spirit throughout the school. It was decorated and placed in the cafeteria for everyone to admire.

This club consists of those students interested in scientific research. Through this interest, the members extended their knowledge by making experiments to prove their theories. The JETS officers are: Lawrence McCullough, President, and Don Piontek, Vice President.

Honor Society Decorates for Graduation

Honor Society Officers: Janice Poulson, Treasurer; Terry Armstrong, Secretary; Ralph Burcell, Vice President; and Gary Steinmeyer, President

Honor Society began the year with an initiation for their new members. A special banquet was held for the benefit of the new members and their parents who were honored guests for the evening. At that time, some of the members received scholarships.

Honor Society was given the job of decorating for the Graduation exercises. They were given one day to complete their work, and they did an excellent job. Honor Society was also responsible for handing out programs and directing people to their seats at Commencement.

66 Girls' League Vice President, Carol Tipton

Girl's League got under way with enthusiasm as the Junior and Senior girls initiated the new Freshmen girls into the organization. The Freshmen girls were under the command of their big sisters, the Junior and Senior girls, for a week.

A dance was sponsored after a football game and Girls' League also sold concessions to make money. A representative from a finishing school came to entertain the girls. She gave good pointers on posture, proper choice of clothing, and showed interesting picture slides. Sharyl Alder gave an exciting talk about Girls' State which she attended last year.

"Getting To Know You" was the theme of the annual Mother-Daughter tea. The tea was held outside in the courtyard and the bright, sunny weather complimented the occasion. Guest speakers included Pam Baxter, Miss Clark County, who gave an inspiring talk to the girls and their mothers. Music was provided by Mary Fran Watrous, who sang the theme song of the tea.

The occasion was highlighted when the Girl of the Year was announced. Each girl of the Month was given a wrapped present, containing a bracelet with an inscription on it. The girl with the bracelet bearing "Girl of the Year" was Julie Kramer. She was overwhelmed with happiness and surprise as tears rolled down her cheeks.

I believe as a high school girl of Washougal, I should be:

 Joyous, courageous, and courteous;

 Truthful, considerate, and just;

 Loyal and sincere in friendship;

 Too noble to speak ill of others;

 Willing to forgive and forget;

 Prompt and gracious in obedience;

 Quick to appreciate What is done for me;

 Respectful to my elders;

 True to the best that is within me;

 that I may become a fine and worthy woman.

All-American Annual

The Annual Staff of 1968 presents with pride, this edition of the *Kaiyawi* to the students and faculty of Washougal High School. We have worked hard to make this edition the greatest one ever. Between the covers of this book, is a school year; a year that was filled with fun, work, and knowledge; a year that will be remembered in the lives of everybody. Now that this year is past, we hope that when you look through this yearbook, the memories of the past will remain as real as when you lived them.

Panther Tales Earns State Recognition

Assistant Editor—Larry Sampson

Sports Editor—Pat McDonald

Each member of the *Panther Tales* Staff worked hard to make this year a great success. They printed each issue with much hard work and only missed one of their deadlines. To make a better paper, the *Panther Tales* made a suggestion box for the student body to voice their opinions on ideas as to how the school could be improved.

Panther Tales sponsored Sadie Hawkins and did all the work to make the dance enjoyable to all who attended. They did all the decorating and took tickets for the occasion.

Panther Tales was also in charge of making out Senior Wills. They worked their hardest on the last paper in which they printed a color page spread of the Senior Class.

Larry Sampson received the award for being most outstanding journalist, and the staff elected him as being most inspirational member.

Panther Tales announced that it was one of the two self-supporting school newspapers in the State.

Toni and Winona prepare for OKLAHOMA

Under the direction of Mrs. Olson, the choir had a very successful year. They presented an excellent Christmas concert and also worked hard with their musical, *Oklahoma*.

Chordaliers sang for many clubs and organizations and were appreciated by their audiences. They wore sporty outfits of gold sweaters and white skirts or slacks. The Melodiers wore green jumpers with print blouses and also contributed to the success of the choir.

The highlight of the year was the production of *Oklahoma*. It proved to be such a great success that it was held over because of popular demand. The cast had the honor of presenting the musical to Stevenson High School.

Bookkeeping students learn practical aspects of money-handling.

The new 8-room high school addition has given Washougal High School the opportunity to offer more classes and further interest in education. Washougal High School is a comprehensive high school and follows both an academic and vocational curriculum program. The vocational curriculum departments include Home and Family living, Industrial arts, Mechanical Drawing, Drivers Education, and Business. The academic program includes a variety of languages, art, science, and Math.

In addition, service classes are offered. These classes give the students practical experience in office work, library, science and physical education.

Two publication courses are journalism and the yearbook.

Students

Through various courses offered at WHS, students gained knowledge to prepare them for the future.

Commercial courses Typing I and II, Shorthand I and II, Bookkeeping I and II, and Business Law. These courses built the students speed and accuracy

In the language field, Spanish, Latin, and German courses were offered. Students not only learned the language, but they also were taught about the country and its people.

Science courses of Chemistry, Physics, and Biology, were offered to introduce students to the world of research. Interesting films were provided to gain students' interest in the subject

In the field of Mathematics, Trigonometry, Geometry, Algebra, and Math Analysis were offered

Administration

Mr. William Jurgens, Principal

Administrators of the Washougal School District proudly announced the completion of the 8-room addition to the high School on December 1, 1967 with an invitation to the public to attend an open house. Years of hard work were finally realized as the doors of the sparkling new addition were opened.

With the addition completed, Mr. Blodgett, in his second year as superintendent and his administrative assistant, Mr. Walker, have been working with the high school principal, Mr. Jurgens on curriculum development. It is hoped that the curriculums developed will be a continuous process in furthering education.

Student Council Supports

ASB President—Dick Anderson

Officers of the Associated Student Body and Student Council together started the year by entertaining the alumni of Washougal with Homecoming festivities.

Then to make money for the ASB fund, the officers and student council planned a candy sale with competition to be held among the classes. The students sold this candy and the profit made helped finance various student body activities.

ASB officers are elected by the members of the student body at WHS. Student Council members consist of ASB officers, class officers, all club presidents, and the Senior members of Rally. Their advisor is Mr. Bill Jurgens, Principal.

Grete brings a little bit of Norway

As Grete Lilledallen got off the bus to meet her new American family, she brought along a warm smile and a little bit of Norway to Washougal.

Grete's shyness was soon overcome and she quickly became adjusted to the new way of life. Grete entertained many groups and organizations with talks of her country, where she showed interesting pictures and performed Norwegian Folk dances while wearing her national costume.

Among her exciting moments was when she attended her first football game. She was wide-eyed and did not understand what was happening. She enjoyed going to dances, taking part in various clubs, and attending conferences held for the benefit of foreign exchange students. Grete finds it hard to leave Washougal, but she hopes to return some day to visit her family and friends.

Grete looks forward to returning to Norway and doing some of the things that have made her homesick. She is anxious to tell her family and friends about America, and all the exciting things that have happened during this short year. Grete has one more year of school to complete when she returns to Norway before she will graduate. She plans to attend college afterward.

A foreign face,
A foreign walk,
A foreign smile,
A foreign talk.

A foreign way of doing things,
A foreign way of speaking,
A foreign way that was different,
A foreign something we were seeking.

A foreign person who was kind,
A foreign person who was generous.
A foreign someone we will never forget,
That's what Grete meant to us.

Games are won,
Victories are many
And the excitement is encompassed
In the hearts of many;
Taking part in activities
A "Hippie Day" or a "Wing-Ding"
Maybe it's just the satisfaction
Of being part of something.
A clamour of voices,
A clamor of voices
Many faces were seen
At the arousing Bonfire
And the Serpentine.
The dance was fun,
The music was great
Everyone enjoyed
Being with their date.

So sad, so Fresh, the days that are no more

—Tennyson
